

2017- Suntree Montessori Newsletter

In closing for this school year, I'd like to send you off with this quote from Dr. Maria Montessori... *"It's true, we cannot make a "genius", we can only give each individual the chance to fulfill his/ her potential possibilities to become an independent, secure, and balanced human being."*

Jennie's Corner

Welcome to May!

It's here, another school year is coming to an end!

If your child is leaving after graduation and going to another school in the Fall, we trust it will be a wonderful extension of their Montessori education.
