JENNIE'S CORNER:

Welcome to the Fall season!

National Fire Prevention Day is Oct.

9th. **Fire Prevention Day** exists to raise awareness of safety practices. This year's theme is..."Look, Listen, Learn"

Here are some tips to help ensure a fire free environment:

- Establish an escape plan with the children that includes two ways to get out of each room and a designated special place to come back together outside the home. Practice!
- Matches and lighters should be kept in a locked cabinet.
- At school we practice by staging monthly fire drills.

I have invited the firefighters and their trucks from Brevard County to speak with the children about Fire Safety. Of course, we know that the highlight of the day will be the "Fire trucks!"

Parents:

Special thanks for your contributions and efforts in the way of Scholastic book club orders, DSP photo orders and all you do for the school and students.

Wyatt- 11th

Elena- 14th

Anna- 22nd

Emma- 22nd

In the words of Maria Montessori...

"The education of even a small child, therefore, does not aim at preparing him for school, but for life!"
